IBRA International Bone Research Association

IBRA is a financially independent, internationally oriented non-profit organization, for specialized clinicians and research scientists. We encourage the development of innovative solutions in a friendly, loyal atmosphere. Future-oriented open-mindedness and international acceptance form the basis for first-rate assistance in realizing modern research projects and continuous medical education as well as promoting individual careers.

Starting immediately or by appointment we are looking for a qualified

Communications Coordinator 80 - 100% (m/f/d)

(maternity replacement, limited until February 2023)

In this position, the candidate assumes responsibility for the conception and implementation of exciting marketing measures:

- In collaboration with IBRA's international leaders and regional representatives, develops and implements marketing, communications and social media actions to promote IBRA courses in the regions.
- Ensures information flow to national and international professional societies
- Ensures that high quality standards are maintained for texts and contributions
- Works closely with the IBRA events department
- Develops content and designs layouts for newsletters to our members
- Supports the organization of international and virtual events
- Assists with general administrative work in planning and organizing scientific events and medical seminars.

What we expect

- Basic commercial training with further education in marketing / communication
- Work experience in a comparable position
- Good foreign language skills (English spoken and written, other languages an advantage)

We offer you a responsible and diversified function in an international stimulating setting with advanced social benefits.
For further information about this position, please contact our Executive Director José Manuel Vázquez.
