Course Content

IBRA Advanced / Fellow Course

Decision making for distal radius and finger fractures – key points

December 11 – 12, 2020
Vienna, Austria

AUVA
Trauma Zentrum Wien
Lorenz Böhler KH

Chairmen:
Prim. Dr. Wolfgang Hintringer, Vienna, Austria
Prof. Dr. Martin Leixnering, Vienna, Austria

Friday – December 11, 2020

8:00 – 8:30	Registration
8:30 – 8:45	Welcome address Welcome speech
8:45 – 10:30 (incl. Coffee Break)	Session I – Wrist Part I • Biomechanical considerations for key fragments in radius fractures • How to detect key fragments best • Volar key fragments • Dorsal key fragments • Discussion and cases
10:30 – 13:15 (incl. Lunch)	Session II – Wrist Part II • Radial and central key fragments • Non keytype fractures • Comminuted fractures • Accessory ulna fractures • Which type is best treated with arthroscopical assistance ? • Discussion and cases
13:15 – 15:15 (incl. Coffee Break)	Session III – Hand Part I • RSL Fusion • Metacarpal fractures, plates or screws? • Fractures of the first metacarpal • Metacarpal head fractures, how to treat them • Subcapital fractures • Discussion and cases
15:15 – 16:45	Session IV – Hand Part II • Functional treatment of proximal phalanx fractures • Operative treatment of proximal phalanx fractures • Intra-articular finger fractures • Special case report • Discussion and cases

Saturday – December 12, 2020

9:00 – 15:30
(incl. Lunch)

Session V – LABS

- Lab 1: a) Internal fixation of metacarpal fracture with locking T-plate
  b) Intramedullary fixation of metacarpal fracture with cannulated compression screw
- Lab 2: Phalanges derotation osteotomy with rotation plate
- Lab 3: Internal fixation of ulnar shaft fractures
- Lab 4: a) Internal fixation of ulnar styloid with cannulated compression screw
  b) Internal fixation of radial styloid with cannulated compression screw
- Lab 5: Internal fixation of distal radius with Y-shaped plate – volar approach
- Lab 6: Small fragment fixation of the distal radius with small plate – dorsal approach

---

Chairmen

Prim. Dr. Wolfgang Hintringer, Vienna, AT, IBRA Past-President

Prof. Dr. Martin Leixnering, AUVA Vienna, AT

Patronage: Under the auspices of:

DAH ÖGH

Organized by

International Bone Research Association – IBRA Basel, Switzerland
