IBRA EDUCATION PROGRAM Master

IBRA Master Course

Realistic Treatment in Complex Condylar Fractures - Approaches & Internal Fixation in Pre-fractured Specimens

November 8 – 9, 2024
Basel, Switzerland

Chairperson:
Dr. Dr. Aurelien Louvrier, Besançon, France

Sientific Committee:
Prof. Dr. Christophe Meyer, Besançon, France
Prof. Dr. Dr. Andreas Neff, Marburg, Germany

General Information

Target audience

Recommended for senior surgeons and department heads.

Main specialty of the event

An interactive seminar and hands- on workshop, addressing trauma and reconstruction with representative cases and discussions. Latest innovations and trends are presented both in theoretical discussions and surgical demonstrations. Practical exercises are designed as close as possible to realities in the operating room (pre-operative discussion of the case, use of pre-fractured or deformed specimen).

Expected educational outcomes

Broadening of spectrum of good practices and their dissemination, Aware of new/improved techniques and methodologies to diagnose, treat and follow-up patients.

Organized by

IBRA - International Bone Research Association, Basel, Switzerland

Registration Fees

IBRA Full Member	EUR 820
Non- / Basic Member (IBRA)	EUR 1640

Registration & Information

IBRA Administration Office

Faculty
(in alphabetical order)
Dr. Dr. Aurelien Louvrier, Besançon, France
Prof. Dr. Christophe Meyer, Besançon, France
Prof. Dr. Dr. Andreas Neff, Marburg, Germany
Prof. Dr. Dr. Aleš Vesnaver, Ljubljana, Slovenia

More faculty will be published soon.

Friday – November 8, 2024

8:10 – 8:30	Registration
8:30 – 8:35	Welcome
8:35 – 8:45	Introduction
8:45 – 10:20	Theoretical Part I – Treatment planning in condylar fractures • Classification and considerations on indications and treatment options • Clinical assessment and clinical/intraoperative imaging • Biomechanical considerations from the surgeon's point of view • Question & answer
10:20 – 10:50	Coffee Break
10:50 – 12:50	Theoretical part II: Approaches and osteosynthesis • Choice of approaches with regard to fracture type, localization and type of osteosynthesis material – general considerations • Algorithm for base fractures • Algorithm for neck fractures • Algorithm for head fractures • Algorithm for concomitant mandibular and panfacial fractures • Algorithm for condylar pediatric fractures
12:50 – 13:55	Lunch
13:55 – 18:15	Practical part I: with prefractured specimens • Product introduction (tips and tricks) • Each group receives a pre-fractured specimen and elaborates the case
18:15 – 18:30	Conclusion and adjourn

Saturday – November 9, 2024

7:30 – 10:00	Practical part II: with prefractured specimens • Optional: finalizing of cases • Demonstration of selected approaches, tips and tricks, discussion and free swim
10:00 – 10:30	Coffee Break
10:30 – 12:10	Practical part III: • Finalization of case presentations • Group presentations (each group 5 min)
12:10 – 13:40	Lunch
13:40 – 15:20	Practical part IV • Discussion of selected cases elaborated during the workshop • Review and questions
15:20 – 15:25	Conclusion and adjourn

IBRA International Bone Research Association

IBRA – a unique international network in research and continuing education

Our aim is to promote the exchange of professional knowledge, provide highly specialized medical training and encourage research as well as new scientific developments.

Core activities

- Global grid of IBRA Training Centers
- Courses, workshops and webinars
- International scholarship program
- Research grants

IBRA Membership – Your future is in your hands!

Take advantage of our innovative hands-on training courses and connect with like-minded experts worldwide.

Membership

IBRA Basic Membership

The gateway to the IBRA affiliation

- Worldwide networking (Members and Training Centers)
- Regular updates on events
- Access to our database of materials and recorded webinars
- Free of charge

IBRA Full Membership

Shaping our organization in various functions

All Basic Membership benefits plus:

- Prioritized access to IBRA research grants and scholarships
- Considerably reduced course fees (50%)
- Voting rights at the General Assembly
- Development opportunities within IBRA (e.g. speaker, course chair, Training Center)

IBRA International Bone Research Association

IBRA Virtual Campus

Flexible, self-paced learning for busy healthcare professionals

The IBRA Virtual Campus features:

✓ Recorded webinars
✓ Online courses
✓ Instructional videos
✓ Scientific articles
✓ Case discussions

Virtual Campus

All IBRA Members enjoy access to the Virtual Campus through the member area.

Not part of our affiliation yet?

Join us today and take advantage of the benefits of the IBRA Basic Membership:

- Worldwide networking
- Regular updates on events
- Access to the Virtual Campus
- Free of charge
