IBRA Seminar and Workshop

Trauma and Reconstruction of the Upper Limb

November 23 – 24, 2019
Seoul, Republic of Korea

Chairmen:
Prof. Dr. Jong Woong Park, Seoul, Republic of Korea
Prof. Dr. Jörg Grünert, St. Gallen, Switzerland

Foreword

Dear Colleagues and Friends,

IBRA is proud to sponsor and organize the IBRA seminar and workshop 2019 on Trauma and Reconstruction of the Upper Limb in Seoul, Korea.

In this course, we continue the close exchange of our knowledge and experiences between participants and faculties through interactive case presentations. Our international faculties are internationally renowned and they will give lectures and actively engage all participants.

Our cadaver lab on the 2nd day will be held at the Korea University College of Medicine. Enriched learning through hands-on skills and tips and pearls of new approach and procedures will internalize your knowledge in upper extremity surgery.

We look forward to sharing this workshop, enthusiastic discussions and cadaver lab in the beautiful city of Seoul.

Prof. Dr. Jong Woong Park

Prof. Dr. Jörg Grünert

Faculty

Chairmen

Prof. Dr. Jong Woong Park, Seoul, Republic of Korea

Prof. Dr. Jörg Grünert, St. Gallen, Switzerland

Faculty (in alphabetical order)

Assoc. Prof. Shalimar Abdullah, Kuala Lumpur, Malaysia

Prof. Dr. Andrew Chin, Singapore

Prof. Yun-Rak Choi, Seoul, Republic of Korea

Prof. Jörg Grünert, Sankt Gallen, Switzerland

Prof. Joo Yup Lee, Seoul, Republic of Korea

Dr. Roongsak Limthongthang, Bangkok, Thailand

Dr. Masato Okazaki, Tokyo, Japan

Prof. Jong Woong Park, Seoul, Republic of Korea

Assoc Prof S. L. Ezekiel Tan, Gold Coast, Australia

Saturday – November 23, 2019

7:45 am	**Departure to the Seminar at the Korea University College of Medicine**	
8:00 – 8:30 am	**Registration**	
8:30 – 8:40	Welcome	*J. W. Park* *J. Grünert*
8:40 – 8:45	IBRA Introduction	*IBRA*
8:45 – 10:00 am	**Session I: Phalanges and Metacarpals (75 min)**	***J. W. Park***
8:45 – 9:00	Phalangeal Fractures	*A. Chin*
9:00 – 9:15	Metacarpal Fractures	*J. Grünert*
9:15 – 9:30	Corrective Procedures	*M. Okazaki*
9:30 – 10:00	Discussion and Cases	*All*
10:00 – 10:15 am	**Coffee Break**	

Saturday – November 23, 2019

10:15 – 11:45 am	**Session II: Scaphoid (90 min)**	***J. W. Park***
10:15 – 10:30	Treatment Strategies in Acute Scaphoid Fracture	*J. Y. Lee*
10:30 – 10:45	Scaphoid Nonunion	*S. Abdullah*
10:45 – 11:00	Indication for Scaphoid Plate	*M. Okazaki*
11:00– 11:15	SNAC Wrist: Salvage Procedures	*A. Chin*
11:15 – 11:45	Discussion and Cases	*All*
11:45 – 1:00 pm	**Lunch**	

Saturday – November 23, 2019

1:00 – 2:30 pm	**Session III: Distal Radius (90 min)**	***J. Grünert***
1:00 – 1:15	Current Treatment in Distal Radius Fractures	*J. W. Park*
1:15 – 1:30	Troublesome Lunate Facet	*J. Grünert*
1:30 – 1:45	Ulnar Shortening Osteotomy	*J. W. Park*
1:45 – 2:00	Distal Radius Correction Osteotomy	*S. Abdullah*
2:00 – 2:30	Discussion and Cases	*All*
2:30 – 2:45 pm	**Coffee Break**	

Saturday – November 23, 2019

2:45 – 4:30 pm	**Session IV: Elbow (105 min)**	***E. Tan***
2:45 – 3:00	Radial Head Fractures	*Y. R. Choi*
3:00 – 3:15	Olecranon Fractures	*R. Limthongtang*
3:15 – 3:30	Coronoid Fractures	*E. Tan*
3:30 – 3:45	Terrible Triad Injuries	*E. Tan*
3:45 – 4:00	Distal Humerus Fractures	*R. Limthongtang*
4:00 – 4:30	Discussion and Cases	*All*
8:00 pm	**Social Dinner**	

Sunday – November 24, 2019

7:30 am	**Departure to the Laboratory at the Korea University College of Medicine**	
7:45 – 8:10	**Registration**	
8:10 – 3:20 pm	**LABS**	
8:10 – 9:20 am	**Session I: Hand (70 min)**	
8:10 – 8:20	Introduction – Implant & Set Handling	*Medartis*
8:20 – 8:50	Lab 1: Phalangeal Fracture	*A. Chin*
8:50 – 9:20	Lab 2: Metacarpal Fracture	*M. Okazaki*
9:20 – 10:30 am	**Session II: Carpus / Scaphoid (115 min)**	
9:20 – 10:00	Lab 3: Scaphoid Fracture	*J. Y. Lee*
10:00 – 10:30	Lab 4: Scaphoid Non-unions	*S. Abdullah*
10:30 – 10:50 am	**Coffee Break**	

Sunday – November 24, 2019

10:50 – 12:00 am	**Session III: Distal Radius (70 min)**	
10:50 – 11:30	Lab 5: Distal Radius Fracture Volar Rim	*Y. R. Choi*
11:30 – 12:00	Lab 6: Distal Radius Fracture Dorsal Approach	*J. Grünert*
12:00 – 1:00 pm	**Lunch**	
1:00 – 3:20 pm	**Session IV: Forearm (165 min)**	
1:00 – 2:00	Lab 7: Ulnar Shortening Osteotomy	*J. W. Park*
2:00 – 2:40	Lab 8: Radial Head Fracture	*R. Limthongtang*
2:40 – 3:20	Lab 9: Olecranon Fracture	*E. Tan*
3:20 – 3:30 pm	**Adjourn**	

General Information

Chairmen

Prof. Dr. Jong Woong Park, Seoul, Republic of Korea

Prof. Dr. Jörg Grünert, St. Gallen, Switzerland

Organized by

International Bone Research Association - IBRA Basel, Switzerland

Registration & Information

IBRA Administration Office
Hochbergerstrasse 60E, CH-4057 Basel, Switzerland
Phone: +41 61 319 05 05, Fax: +41 61 319 05 19
info@ibra.net, www.ibra.net

Registration Deadline: November 1, 2019

Registration Fees

	Seminar and Workshop	Seminar only
IBRA Member	USD 335	USD 65
Non-Member	USD 670	USD 130
Resident	USD 620	USD 110

*written proof required with registration

General Information

Educational hours

Theoretical Part on Saturday, November 23 – 360 min
Practical Part on Sunday, November 24 – 360 min

Total: 12 h

Target audience

Recommended for senior surgeons and consultants.

Main specialty of the event

Starting with classification of the injury or deformity, the faculty members share their preferred approach, treatment, and follow-up of cases with advanced difficulty.

Expected total number of participants

Seminar 100
Workshop 30

Educational needs

Dealing with challenging fractures and deformities, consultants request exchange through case discussions both theoretically and through surgeries. Beside state-of-the-art approaches, expert opinions and discussions are highly appreciated to scientifically elaborate improvements when dealing with difficult cases.

Expected educational outcomes

Extend common knowledge and skills and awareness of surgical techniques by exchanging less frequent or demanding cases of orthopedics and traumatology.

General Information

Nature of the event

Challenging cases are introduced in lectures and contain case discussions. After that, a cad lab workshop follows theoretical sessions. Each approach is usually explained by a corresponding educational video explained by a faculty member.

Methods to promote active learning

Multimedia presentations; time for question & answer sessions and discussion; cadaver workshop with tips & tricks shown by faculty members.

International audience

Yes

Main language of the event

The official language is English.

Simultaneous translation

No simultaneous translation will be provided.

General Information

Method of Payment

The following methods of payment are accepted:

Bank Transfer (USD)	Bank J. Safra Sarasin AG, CH-4002 Basel
Account no.	6010055.4002
IBAN no.	CH87 0875 0060 1005 5400 2
Clearing no.	8750
SWIFT	SARACHBB

Registration and Confirmation

All registrations are confirmed by e-mail. If you have not received a confirmation prior to your departure for this course, please contact us.

Refund Policy

All refunds must be requested in writing to the IBRA Administration Office.
If written notification is received 3 weeks prior to the event, a full refund less a USD 40 processing fee will be given. If written notification is received 10 days prior to the event, a refund of 50% of the registration fee will be given.
For later notifications there will be no refunds. Refunds will not be given for non-attendance.

General Information

Meeting Venues

Seminar – Saturday, November 23

Anam-Dong 5-GA
Seongbuk-gu
Seoul
136-701 South Korea
Korea University College of Medicine
Main building
Duck-Kyung Choi Lecture Hall (3rd floor, room 14)

Lab – Sunday, November 24

Anam-Dong 5-GA
Seongbuk-gu
Seoul
136-701 South Korea
Korea University College of Medicine
Main building
Anatomy laboratory 1 (5th floor, room 8)

Social Dinner

YONGSUSAN BIWON
2, Changdeokgung 1-gil,
Jongno-gu,
Seoul, Republic of Korea

Disclaimer and Waiver
I understand that the material presented in this educational program (the "Program") has been made available under sponsorship of IBRA (International Bone Research Association) for educational purposes only. This material is not intended to represent the only, nor necessarily the best, method or procedure appropriate for the medical situations discussed, but rather is intended to present an approach, view, statement or opinion of the faculty that may be of interest to others.

As a condition of my participation in the Program, I hereby (i) waive any claim I may have against IBRA and its officers, directors, employees, sponsor, agents, or against the presenters or speakers, for reliance on any information presented in the Program; and (ii) release IBRA, its officers, directors, employees, sponsors and agents, as well as the presenters and speakers, from and against any and all liability for damage or injury that may arise from my participation or attendance at the Program.

I further understand and agree that no reproduction of any kind, including photographs, audiotapes and videotapes, may be made of the Program. All property rights in the material presented, including common law copyright, are expressly reserved to the presenter or speaker or to the IBRA.

IBRA is not responsible for expenses incurred by an individual who is not confirmed and for whom space is not available. Costs incurred by the registrant, such as airline or hotel fees or penalties, are the responsibility of the registrant.

I herby certify that I am correctly vaccinated against the current diseases which could be transmitted during the dissection workshops. I also certify that my personal insurance company will take in charge the possible injuries and complications that may occur during the dissection workshops. I relieve the organizers from their responsibility concerning any injury and complication that may occur during the workshops.

By registering for the Program, I consent to the conditions of participation set forth above.

IBRA International Bone Research Association

IBRA is a financially independent, internationally oriented non-profit organization, for specialized clinicians and research scientists. IBRA's core activity is the future-oriented advancement of bone-tissue research and management focusing particularly on:

- Bone biology, including osteointegration, bone generation and soft tissue reaction
- Maxillofacial and orthopaedic rehabilitation
- Materials research including hardware development
- Biomechanics
- Tissue engineering
- Surgical procedures & clinical management

IBRA encourages the development of innovative solutions in a friendly, loyal atmosphere. Future-oriented open-mindedness and international acceptance form the basis for first-rate assistance in realizing modern research projects and promoting individual careers. As an international forum reaching across geographic and cultural borders, IBRA offers an up-to-date network for the exchange of experience and knowledge in applied bone and tissue research.

History

IBRA was founded in Zurich, Switzerland on September 25, 2004 at the initiative of eighteen forward-looking clinicians. Its primary aims are the exchange of professional knowledge, promotion of new scientific developments, engineering of the musculoskeletal system, coordinated multi-centre research and highly specialized advanced training.

Research Support

IBRA offers financial support for research projects dealing with bone biology and the improvement or development of internal fixation devices for maxillofacial and limbs surgery. With the emphasis on innovation and suitability for practical application, 95% of the research budget goes towards applied research and clinical studies and 5% towards basic research.

Education

IBRA's education area offers clinicians special courses on the application of specific methods of treatment. IBRA's particular concern is to train tomorrow's highly qualified research scientists. IBRA enhances its members' qualifications through a scholarship program.

Notes

IBRA International Bone Research Association
15 YEARS
OUTSTANDING EDUCATION SINCE 2004!

IBRA – a unique international network in research and continuing education

Our aim is to promote the exchange of professional knowledge, provide highly specialized medical training and encourage research as well as new scientific developments.

Core activities

- Global grid of IBRA Training Centers
- Courses, workshops and webinars
- International scholarship program
- Research grants

IBRA Membership – Your future is in your hands!

Take advantage of our innovative hands-on training courses and connect with like-minded experts worldwide.

IBRA Basic Membership

The gateway to the IBRA affiliation

- Worldwide networking (Members and Training Centers)
- Regular updates on events
- Access to our database of materials and recorded webinars
- Free of charge

IBRA Full Membership

Shaping our organization in various functions

All Basic Membership benefits plus:

- Prioritized access to IBRA research grants and scholarships
- Considerably reduced course fees (50%)
- Voting rights at the General Assembly
- Development opportunities within IBRA (e.g. speaker, course chair, Training Center)
